Summer Elementary Religious Education

Dear Parents,

Summer Religious Education is right around the corner for students entering Kindergarten through 6th grade in the fall. We are very excited for what this summer has to offer and we continue to learn about our Faith and grow in our relationship with Christ. Enclosed you will find the registration form for the summer program. Accompanying the registration form for the classes this summer is a Family Information sheet. We ask that you fill these forms out completely in order to aid us in having up to date and correct information for the families in our program. Please note there is a sign up for Flocknote in the registration. Please fill this out, as it is an efficient means of communication with parents regarding religious education and items relating to programs here at the parish.

Catechists:

We are in need of catechists and aides for both sessions. Please consider taking on this important ministry in our parish. It is an opportunity to not only pass on the faith, but to grow in a deeper understanding and appreciation of your faith. Fees are waived when a parent assists for the entire session.

If you have any questions, please contact me or Amy at the Parish Office at 632-5872.

We look forward to seeing you this summer!
